#### >>> from THE PRESIDENT

Hi all

Christmas is nearly upon us so I will take this opportunity to wish you our members and families all the best for the festive season and may your golf prosper through the New Year. A special thanks to John and all our delegates for their input and help throughout the year. Thanks to Annette Purves for your past service to NALG and a special welcome to Wayne Hughes who has taken up the challenge of Delegate for Hawkes Bay. Apart from our delegates there are many more that assist or run tournaments all over the country without people like you we would not have an association, also to Brian Cronin for managing the website. Thank you.

Once again Taumarunui was a great weekend well run and a lot of fun. If you look in the results they will reflect how well I went.

Hauraki was fairly well supported and was great to catch up with more of our leftie mates.

This year at Ngaruawahia I tried something a little different in combining our lefties with the clubs monthly meat pack tournament. We renamed the event as the Mark Hughes Memorial in honour of a great fellow leftie. We ended up with a big field of 86 made up of 46 lefties 30 Righties and 10 Ladies and a day that was worthwhile to both the club and the NALG. CHECK THE RESULTS I went a bit better in this one.

Mahunga is getting closer all the time Graeme and his elves are starting to go into overdrive so get you entries in.

Enjoy Christmas, make the most of daylight saving and get in plenty of golf and family time.

Catch You Around the greens . . .

*-Wayne Chesham  
President*

### ANNUAL SUBSCRIPTIONS

Christmas and a new year are coming – and this means it's time for next year's subscription to be paid. Your account for the 2015 year is enclosed with this bulletin.

#### \$30 - DISCOUNT OF \$5 IF PAID BY 31ST JANUARY 2015

Please remember that a couple, or those families with more than one member in the Association, need to pay \$40 in total for their family subscription,

Just a reminder to those members, who in the past have included their sub with their entry fee when entering the National Champs, to send their subscription to me rather than send it, in this case to Mahunga. It saves a considerable amount of work for the Tournament Secretary.

Keep an eye on our website [www.nalg.co.nz](http://www.nalg.co.nz) the site is continually updated, and currently has a number of interesting items, remember that every quarterly Bulletin can be read on the website up to 10 days before being found in your letter box.

You can also download an entry form for the next Nationals, or if you wish too, enrol a new member.

## Season's Greetings

Andrea, and John, wishes you all a very happy and safe Christmas, and we look forward to catching up with many of you in 2015.

*Note we have now moved to Mangawhai Heads, new address and telephone on final page.*

-John Barber

## >>> 2014 AUSTRALIAN NATIONALS REPORT

### 49TH NAGLA CHAMPIONSHIP, BELLARINE, VICTORIA.

With eleven players from NZ, which is just about on par with entries from each Australian state (120 in total), we should have had a bit of a chance. Alas, the only mention in was the daily net where the lucky recipient was awarded a golf ball. More Luck was had in the daily raffle, where Geoff Ingram received a dozen pro.v1 golf balls.

The courses were easy to treacherous. Lonsdale, established about 1928, typical club course of doglegged tree lined rubbish, the odd bunker and hidden water. The two courses at Thirteen Beach (Creek & Beach) were excellent. Creek with its wide fairways and only a couple of trees was a joy to play. The Beach was "wicked" nobody broke 80. Bunkers were hideous and plenty, this with ultra-fast greens made for demoralising or applauding outcomes. The final day at Curlewis; its hilly nature, naughty bunkers and raised greens meant for careful approaches. We had been warned about snakes, but this did not appear to hinder the locals who thrashed around in the undergrowth endeavouring not to be defeated by losing a ball!

Stories came back to the club house at Curlewis of golfers encountering a snake up the 18th. All courses were well presented very fast greens. In all a thoroughly enjoyable tournament, a lot of camaraderie and good will with fine wine & beer from a well organised event. Anyone for Port Macquarie next year?

## >>> WORLD LEFTIES REPORT 2014

### CAPETOWN SOUTH AFRICA WALG. 23RD WORLD TOURNAMENT.

A contingent of ten people from New Zealand arrived in Capetown for the 23rd World Lefties Tournament. There were six players plus wives that enjoyed very pleasant weather and sometimes extreme wind conditions. The courses were reasonably flat and apart from Milnerton which was a links course I found them similar to lot of NZ ones. We played also the Mowbray, Rondebosch, and Royal Cape which were tree lined and the odd bit of water to contend with, and these courses were established around the late 1800s to early 1900s so have been around for a while.

Nigel Messenger won his flight in the Senior Division and Geoff Ingram come 3rd in the Super Senior flight that he was in. The rest of us also ran but unplaced in the results but enjoyed the time there.

The highlight for Judy and myself was the excursion into a game park with John and Kath McKenzie from Dubai [ex Cust] where we encountered the big five up real close. Having Lions set to and have a fight when they are a mere 3 metres away and you are sitting in a open air vehicle tends to make the hairs on the back of your neck stand up. Not to mention the next day when Judy and I are sitting in the back seat and a Bull elephant which looked the size of a house decides to charge the vehicle, and thanks to the driver slipping it into gear and taking off just as it was about two metres behind us was a benefit. With six foot tusks and a thing hanging down like his fifth leg I told Jude to brace herself but we managed to get away unscathed.

A visit to Ernie Eels winery at Capetown and a look through his room of fame was also very interesting, not to mention the tasting of the wine. Visiting Victoria falls and having wild Zebras grazing around the Hotel was quite a novelty but go near them and they soon let you know they are wild.

On another note it is congratulations to Nigel for he was nominated for the position of WALG Secretary so between us we have quite a job in front of us.

Our next tournament is in Japan in 2016, and then the 25th Tournament will be held in Melbourne in 2017. Germany got the vote to hold one in 2019 so with little else to report, Happy golfing.

*-Richard Davison  
WALG Chairman*

## >>> TOURNAMENT RESULTS

### WELLINGTON LEFTHANDERS - TE MARUA GOLF CLUB, 20 SEPTEMBER 2014

It was great to see so many attending our annual get-together at Te Marua last Saturday. The first of the 59 in the field began teeing off at 11.30 in light rain. When Nigel called it off 30 minutes later in horizontal freezing rain our 81 year old life member Bill Sangster was slightly miffed as he had only bogeyed the four holes played but he didn't think it would last as his fingers were numb with cold. Incidentally when drawing the raffle Nigel commented that he'd got hold of the 1983 raffle and Mike Quinlan Bill Sangster Geoff Ingram and Alan Roebuck had all bought tickets.

As usual Nigel did a great job and really expected the weather to improve. However it didn't and when we walked one would find it hard to find any grass on the greens that wasn't waterlogged.

Never the less we enjoyed great food from the café good prizes(Nigel drew numbers and all prizes were handed out). It was good to see all the Mahunga boys who are well into planning next years nationals. Apparently they are doing it very enthusiastically so they should be a good show!

A lot of socialising was had but the hot shower was great when I got home!

## >>> TIME FOR A LAUGH

A Canadian salesman checked into a futuristic hotel in Tokyo, Japan.

Realizing he needed a haircut before the next day's meeting, he called down to the desk clerk to ask if there was a barber on the premises.

'I'm afraid not, sir,' the clerk told him apologetically, 'but down the hall from your room is a vending machine that should serve your purposes.'

Sceptical but intrigued, the salesman located the machine, inserted \$15.00, and stuck his head into the opening, at which time the machine started to buzz and whirl. Fifteen seconds later the salesman pulled out his head and surveyed his reflection, which reflected the best haircut of his life.

Two feet away was another machine with a sign that read, 'Manicures, \$20.00'.

'Why not?' thought the salesman. He paid the money, inserted his hands into the slot, and the machine started to buzz and whirl. Fifteen seconds later he pulled out his hands and they were perfectly manicured.

The next machine had a sign that read, 'This Machine Provides a service Men Need When Away from Their Wives, 50 Cents.'

The salesman looked both ways, put fifty cents in the machine, unzipped his fly, and with some anticipation, stuck his manhood into the opening.

When the machine started buzzing, the guy let out a shriek of agony and almost passed out. Fifteen seconds later it shut off.

With trembling hands, the salesman was able to withdraw his tender unit..... This now had a button sewn neatly on the end.
