## NEWSLETTER September 2019

The Secretary: 15 Haswell St Eketahuna 4900; Phone: 06 375 8621 Email: nalgnz@xtra.co.nz

### From The President

Well winter here in the south has been very inconsistent with many nice sunny days during the week and wet windy weather in the weekends so for golfers like me who work during the week there's no golf in the weekend. Very frustrating!!! From reports it appears that it was similar story in the north with some Lefty tournaments washed out or reduced because of the weather. So bring on Spring.

Very sad to hear of the passing of Johnny Barbour who was our secretary for many years and for me and many lefties a great mentor who's knowledge on our association was phenomenal and he was "Mr Lefty" for so many years until last year when that terrible illness started to take over his body. He did a power of work keeping our association to the fore and on track and we are indebted to him. Our condolences go to Andrea and the family and Johnny may be gone but he certainly won't be forgotten he was a legend whose legacy will be with us forever.

Some good news our Secretary/Treasurer Jack Boettcher is finally out of hospital and isolation after six months it's been a long hard ride for Jack and I'm sure you all join with me and wish Jack all the best on returning to full health and back out on the golf course with us at our Lefty Tournaments very soon. With the inclement weather I've managed to see quite a bit of TV golf and I must say there was nothing better than seeing an Irishman winning The Open in Northern Ireland. What an incredible reception Shane Lowry received on the 18th on the final day.

Welcome to the new members that have joined our Association I'm sure that you will enjoy the comradeship with fellow lefty's. We have several Lefty's tournaments coming up before Xmas and I urge you to participate bring along a lefty mate and introduce him to the Lefty experience, it's a great day out. Check out the Tournament list in this bulletin. Preparations for next years Nationals at Hauraki are well underway by Kenty and the team. They have a lefty's tournament on Sunday 29th Sept which is a great opportunity for you to play and get to know the course before the Nationals. Good golfing to you all I look forward to catching up with you at our tournaments Regards Rossco

## John Robert Barber

On June 6 2019 at the Mangawhai Golf Club a large group of Family ,Friends, Business associates, Local golfers and Lefty Golfers from around the country attended the celebration of John's life. John was a people person who through his infectious enthusiasm for the things he was keen on left a lasting impression on those he met. This was reflected in the tributes paid to John during the funeral service and messages of condolence. John had always been active in sport. He was rightly proud of representing New Zealand at soccer and having to mark George Best in a game against England. We are fortunate that one of his loves was golf

and Lefty golf in particular. John took over the challenge of the Administrative role of NALGNZ in 2005. As an organisation we have had the services of many capable managers. John was up with the best and being awarded Life Membership of NALGNZ is a reflection of his status. He used his enthusiasm and people skills to promote Lefty Golf at every opportunity. During a challenging period when most sports codes were facing difficulty retaining members he aggressively chased around for the retention and recruitment of new members. He used his business skills to cut the cloth under tight financial constraints and smoothed the way for the era of computerisation. John and wife Andrea travelled the country playing and promoting Lefty golf. If he thought it was the right way to go he wasn't frightened to step on a few toes along the way, but it was always done with the best interests of our organisation in mind. In addition to actively being involved in the expansion of the range of Tournaments around the country he took active interest in the running of our national Tournaments. Usually travelling to play the courses to make sure they met the standard for a Nationals, and to support and encourage the local committees running those events.

Despite severe difficulties with his declining health he kept playing the game he loved. A good example is the fact that he and Andrea travelled to the Barossa Valley in South Australia to play the courses that were being used to for the Australian Nationals knowing that his declining health would not allow him to compete in the event when it was scheduled.

The two H's ; Haggles and Horses , featured prominently in John's life. His competitive nature meant he was always up for a haggle on the game he was playing. His love of horses meant he was always interested in the latest form and sought a hot tip for a flutter, especially about those owned by Lefty golfers. The racing column in the Lefty newsletter reflected John's passion.

A recurring theme through all the tributes paid about John has been 'once met - not forgotten'. Most people were captured by his infectious enthusiasm and he was not only seen to be a friend but also a mentor. The fact that Richard Davison and Nigel Messenger head the World Association reflects in no small part John's desire to promote Lefty Golf. To leave a legacy so that others could enjoy the fellowship, which is a critical part of our Association activity.

In farewelling John and reflecting on his contribution to the game of golf and our Association, we extend our sympathy to Andrea and his Family. To Andrea, who has been so much part of Lefty Golf for the last twenty plus years, thank you for letting us share in John's interest in the game. In particular, for the stoic support in recent years as you both faced the struggle that accompanied his deteriorating health. For those that knew him, played with him, loved him, we share fond memories of a full life. He is gone but his legacy will live on.

RIP John. **Roger Maxwell**

A message from Andrea Barber to the lefties membership

Dear Lefties, Righties and Supporters

Thank you all very much for the support you have given John and myself, both before John died and afterwards. Lefties is truly a unique group of friendship brought together by a love of golf. While we live from one end of N Z to the other and around the world, it does not stop the love and care everyone has for each other. I thank you for all the condolence cards and words of appreciation of John and his dedication to lefties. It was his passion and I remember when he first started as secretary, we would be playing golf and he would disappear. I would see him several fairways over where he had spotted a potential new leftie.

For those who were not able to make the funeral your spirit was there. I know of several groups who gathered together on the day of the funeral to share their memories and farewell John. It was a lovely service overlooking the Mangawhai Golf Course. I wish you all the very best in health and golf. I hope to join you where possible in Lefties tournaments.

Love from Andrea

## Reports from around the Regions

### 26th World Championship, Willingen, Germany- May 2019

2020 National Championships - Hauraki Golf Club 30-31 March - 1-2 April 2020

Page 3

**Winners of each division, from left to right, Johanna Wyllie, Joachim Plattner, Yannik Rosenberger, Joe Brogdon.**

From 20 to 24 May, 200 left-handers from 15 countries competed in the 26th World Championship, Willingen, Germany. The games were played on the golf courses Haxterpark-Links, Paderborner Land, Schmallenberg and Kassel-Wilhelmshöhe. Although 4 days had been scheduled for the tournament, due to massive rainfall the 2nd day had to be canceled because the courses were unplayable. However, this had not distracted the enthusiastic players from their goal, and an additional day off was used to renew or sustain international

friendships. The play-free day on Wednesday, many players used with their partners to visit Willingen sights. The program included a visit to the glassworks, the mine Schiefergrube Christine and the Willingen Brauhaus, where everyone could take home a souvenir glass in addition to the test of the tasty beer. Then we went to the Mühlenkopfschanze, where everyone had the opportunity to hit 3 balls from a height of 120 meters into a small pool of water. Many "pros" were at the start but only 2 hit the target. The two were celebrated with a prize and big applause. Finally, we went to the Ettelsberg in Sigi's hut. With pea soup with sausages and fire water you could end the day.

The next two days were again marked by the goal to become golf world champion. As in every Championship, the big winner's buffet followed on Friday with award ceremony in the festively decorated hall of the Sauerlandstern. The winner presentations showed that excellent results were again achieved. We were particularly proud of the fact that Yannik Rosenberger from GC Heddesheim and Super Senior Class Joachim Plattner from GC Bayreuth won the coveted title at this World Cup. Last year in 2000 in Bad Griesbach and in 2002 in Spain our then member Claudia Popp became world champion in the ladies.

Incidentally, Claudia Popp-Kohlhuber then moved to the profile camp. She is a member of the PGA of Germany and currently works in GC Feldafing eV as a golf pro and trainer.

The team classification (Doug Crosby Cup) went to Germany. Since the founding of NALG Germany, this is the first time that a German team has won the coveted Doug Crosby Cup.

We are proud of the success of our German players and congratulate all world champions on their success. Of course also to all other players for their participation according to the motto of our honorary past president Doug Crosby "being here is everything".

Finally, I would also like to thank all the participants of the World Cup, my helper team, especially Jörg Schirmak, who played a significant role in the success of the event, as well as the sponsors, the bus company and the Hotel Sauerlandstern for the accommodation of the players and the excellent Thank you for hosting. Thanks also to all for the many positive feedbacks and emails received during and after the tournament.

It was nice to do this World Cup in Germany with you and I think we are all looking forward to Paris 2020. I would like to say goodbye in the words of a past President: "Being here is everything". - Josef Langenberger

Sunday June 9th 14 lefties had their own section in our monthly meatpack tournament . Greg Limond won gross with 77, Ali Motafitafi nett 65 ,stableford winners were Tony Stowers 35, Lawrie Fawcitt 34 then Joe Tali, George Rogan, Ray Matthews and Brian Keane.

## **Western BOP Lefties Golf - Saturday 29th & Sunday 30th June 2019 - Ray Horsfall.**

Perfect weather was the order of the weekend – sun and no wind, both courses in top condition and culminating in a new winner of the Alan Elliot (ACE) trophy (Best Stableford at Mount Maunganui Golf Course).Te Puke attracted 34 players (26 men & 8 women) and Mount Maunganui 33 players (26 men and 7 women).

Te Puke Golf Course. Sunday 29th June 2019.

An afternoon start that looked promising quite quickly became an ordeal due to slow play with groups ahead resulting with our later groups finishing in the dark. Greens were fast and plenty of contours to put the acid on golfers testing their putting and chipping skills. Scoring was a mixture.. Only 7 players of the 34 played to or better than their handicap !.

Women division - Joann Neylon (Rightie) {Mount Maunganui} set a solid pace with 36 stableford points, 2 ahead of Harriet Byelich (Leftie) {Taumarunui} and Carol Mahon (Walton) 3 back.

Men – Division 1. Gross of 78 was set by Murray Horsnell (Whitford Park), an 81 by George Rogan (Riverside) and 82 by Ken Tynan (Omanu).

Stableford where a 40 by Bill Burt (Ohope) saw him 4 ahead of George Rogan on a count back with Ian Bartlett (Ohope). Ross Nixon (RNZAF Auckland) and Ken Tynan (OManu) with 35's.

Division 2. A hot stableford of 44 by Lawrie Fawcitt was a clear leader from 36 by Gordon Lewis (Howick) and Brian Peters (Omanu) followed by Dhana Gounder(Pakaranga) on 34.

Mount Maunganui Golf Course. Sunday 30th June 2019.

Women: 37 Stableford points scored by Carol Mahon (Walton) showed the way followed by Carol Plowman (Taumarunui) and Harriet Byelich (Taumarunui).

Men Division 1: 2018 and defending holder of the Allan Elliott (ACE) trophy, George Rogan almost succeeded in defending his title with an 80 gross & 36 points. David "Lofty" Williams (Mount Maunganui) played a different game on Saturday compared to Sunday - 40 stableford points

(Gross 75) compared to his 28 points on Saturday. George Rogan 36 was 2nd - 1 ahead of Murray Horsnell (Whitford Park) and Bill Burt (Ohope).

Men Division 2: In his first start for quite a while Stan Mathews scored 37 points closely followed by Brian Peters (Omanu) 36, was just ahead of the 34's from Michael Murphy (Ngaruawahia) and Stuart Marshall (Omanu). 5 players out of 33 played to or better than their handicap !.

## Martinborough Lefties/Righties - Bill Werry

It was disappointing to have so few of our members at our annual Leftie/Righties at Martinborough but considering our weather history and the forecast it was not surprising but credit to Martinborough who managed to find a field of 44. Ron Roberts (9 July 2018) Ron had been a member of NALFNZ for many years and although was not able to continue playing due to ill health, always took a keen interest in the Association's activities.

Ivan Jensen passed away on Sunday 18 Aug 19, following a massive heart attack.

## The Nineteenth

Tony Stowers. – bucket list golf trip.

I had a in July to Ireland and Scotland recently. My well travelled clubs played 13 rounds over their and still never mastered links golf. I also watched 6 days of golf at the Irish, Scottish and The Open Championship. Favourite courses were St Andrews and Kingsbarns courtesy of Kenty. Good to see the world's best players try and tackle Royal Portrush. Great viewing spots . Difficult course but a worthy winner with lots of links experience in Shane Lowry. Ryan Fox looked very comfortable out there and he hits the ball as well as anyone.

## Planning for the 2020 Nationals

National Lefties is progressing well .It was a nightmare applying for funding but we finally got all our ducks in a row and now await the outcome. We are looking at the entry fee being no more than last year and once we have our budgeting figures finalised we will put out our entry forms etc. Everyone at the club is enthusiastic about having a NZ championship 72 hole tournament at Hauraki and the offers of help are overwhelming.

We have been able to source a good number of carts [at least 28] so we can accept entries from those that need them..

The club has appointed a young couple who are both members to help any that may want to billet or stay with our club members . The contact details are [logan.taylor@actrix.co.nz](mailto:logan.taylor@actrix.co.nz). They will have a list of homes that are happy to take people. If you would like to see if they could help you with accommodation feel free to email them .If there is nothing suitable please understand the onus to provide accommodation is solely on yourselves.They will also be coordinating Camper Van sites at the clubhouse. There are some power sites available but self powered areas will be available also.

The Tournament will take place with practice round being Sunday the 29th of March 2020 and four rounds over the following four days with prize giving in the Ngatea War Memorial Hall on the Thursday Evening. Tee off times, apart from the last day on Thursday, will be from late morning[ entry numbers permitting] and as it is still daylight saving all will be back in the clubhouse within one and a half hours of each other as we will have a two tee start.

There will be the opportunity to partake of a fantastic meal from the kitchen each night and on some of the nights there will be a little entertainment provided by the local bands.

As I say once things are more finalised we will give everyone a good indication of what is happening. Kenty

## 54th NALGA National Championships

Time certainly does rush us by. Here we are all but through another winter. Spring has sprung early in Tassie, many shrubs and alike already in full bloom. This has created excitement from the green fingered folk anticipating a wonderful spring on our little Island. The spin off for us golfers should be an immaculately presented golf course.

Your chance to win the accommodation package for the duration of the tournament is closing very soon, in fact last chance will be Saturday 31st August. Best Western have advised they will be releasing a batch of rooms at the end of this month, these rooms had been allocated for NALGA but not taken up, so once again if you intend to stay at the Best Western and yet to book, I suggest you look into it to prevent disappointment.

You can access all relevant information, including an entry form on the National website: [www.lefthandedgolfaustralia.com](http://www.lefthandedgolfaustralia.com) or go to the Tasmanian website: [www.nalgatas.weebly.com](http://www.nalgatas.weebly.com) and click on Nationals .

Should you have entered and not received a receipt by mid-September, please contact the Tournament committee by emailing [nalgatas2019@outlook.com](mailto:nalgatas2019@outlook.com)

Looking forward to spring time golf in Hobart and reacquainting with familiar faces plus meeting many new ones. John Bosworth
