From the President

Rossco Herrett

Hello Fellow Lefties

Hello Fellow Lefties.

I trust this message finds you all well in these unprecedented times. I must apologise for my non-attendance at the National Tournament week at Hauraki. I had a medical event where I ended up in hospital the week before and this prevented me from attending. It's the first Nationals I've missed for 20+ years and to say I was disappointed would be an understatement I was so looking forward to it.

From all reports I missed a great tournament, Hauraki not only got the weather right but Kenty and the team delivered a superb event which ticked all the boxes. So well done Hauraki -Thank You.

Waitikiri, my home club have started organising next year's National tournament with Mike Davies the Chairman of the organising committee. Mike organised the National Tournament when it was last held at Waitikiri in the mid 90's. We intend to incorporate some of the new ideas Hauraki introduced at this year's tournament. Let's hope COVID doesn't get in the way!!!!

With the cooler season finally arriving golf will be limited over the winter months however there is still some lefties tournaments around the country-check them out in this newsletter. Don't forget to bring along a lefty friend and introduce them to the great lefty family.

Did you get to watch Mickelson's win in the US PGA? What an achievement he certainly deserves the mantle of the "World's Best Lefty" an honour which was Sir Bob's for many years. It was a compelling watch one which kept us on the edge of our seats as we willed him to a win. It just goes to show AGE is no barrier and golf is certainly a game for life.

I was saddened by the recent passing of Bruce Poole a founder and legend of our Lefties Association and our sincere condolences to the family. Bruce will not be forgotten RIP.

Take care of yourselves let's hope this vaccine will start to bring this world back to some sort of normality!!!

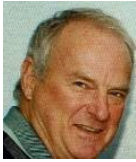

Take care and good golfing
Rossco

Secretary's Corner

Rodger Welsh

Hello and welcome to the June update.

Much has happened since February with great tournaments, long-running fairways, fast greens, appealing weather and lovely company.

Best of all, the exhilarating experience of playing at Hauraki. Didn't the organising team do well? Great hospitality with many friendly conversations around the tables both inside and outside the clubhouse. Thank you, Hauraki.

As secretary, there are daily communications and updates requiring attention. Here I would ask for your help. A reminder when banking online please use only your name and account number. When filing, the invoice number is for my benefit and little else. I do have banking deposits arriving with no information or information that I cannot relate back to the membership database. Cheques are now out of vogue (almost), which means those without an internet facility would best use someone who has. Members are doing this and find it quite accessible. Your regional rep maybe able to assist with cash fees.

At Hauraki, there were several competitors unfinancial, which led to embarrassment and awkwardness when approaching these players to ensure they were financial. A timely reminder that entrants to Nationals be financial to the Association. This has been the situation since 1986 when it was moved, seconded, that all entrants must be financial members of a National Association of Left-Handed Golfers, so worded as to cover all NZ entries and overseas attendees.

There are steps being taken to enlist new members, these are the non-member players at our regional tournaments, all the regional representatives of the association have booklets with membership forms. Each booklet has 20 forms, the owner of the booklet will

National Tournament for Left-Handed Golfers, Venue: Waitikiri Golf Club March 21st-24th Check our website: nalgnz.co.nz

receive a box of high-grade golf balls on completion. They have been very useful resulting in new members. Leading the way is Mark Grellet from Dunedin. Would you like a booklet? Let me know.

For each tournament, a flyer or poster is presented and sent out to all the likely participating clubs in the area. The local golfing associations have been very helpful and our tournament posters are appearing on Facebook and/or their website. I require posters at least three weeks prior to the event. The next step is to have each club recipient email the poster to all their club members! Yeh!

Our Association is much more relaxed at tournaments, long gone are those days when those who were turned away or penalised for;

- not having a handicap card
- not signing a card
- back handing a put

Slow play is always brought to the attention of players. But it should be understood that all courses have their difficulties, that delays do occur. We are not all experienced golfers and we do our best to make up ground. Is it fair for a group to be penalised? Disqualification has to be the last resort. The starter perhaps, should keep an eye on the correct time interval between each group off the first tee. Perhaps reminding the green's keeper that a user-friendly approach is more acceptable than a PGA championship layout.

Happy golfing

*"Anything I want to be.
For instance, this hole right here is a par 47 - and
yesterday I birdied the sucker."*

Roundup of Tournament Results

A smaller than usual field this year due to the forecast of a wet weekend and a lot of other golf on in the Tasman area. As it turned out it was a fine both days. Once again, a very well-presented course that beat up the golfers. Great to welcome Aaron Drummond back after a long OE and then work commitments. Thank to Mark Casey for coming down from Wellington for the weekend. He liked it so much in the Nationals a couple of years ago he thought he would give it another go. The course won. AGAIN!

Thanks once more to Craig Hamilton for chatting up our sponsors and doing a great job. Everyone got a prize and a few left over.

Hauraki National Championship 2021

The 2021 nationals were a resounding success thanks to the hard work of the committee and the fact that the Hauraki Golf Club members took this tournament on as a positive week for their club.

The weather for the week was outstanding and there was no need to have jackets or wet weather gear on for the full 5 days.

The club ran meals from breakfast through to evening dinner and the menus was amazing.

The tournament itself ran like clockwork, the course was presented in great order by the greens staff, a little rain prior to green up the fairways may have been ideal but one cannot make rain come at the desired times.

Congratulations to the winners and by the good reports coming in everyone was a winner that turned up.

The committee tried a couple of new ideas which, although did not have unanimous agreement, most felt ran smoothly and those that attended were happy with the week by the sound of all the good comments coming thru by text and email and the speeches on the Thursday night.

Our committee are very happy that the week ran well and wish to again thank all the contestants that turned up and made the week so memorable for the association and the Hauraki Golf Club.

Robin Kent.

Above are the team leaders, who organised such a wonderful and satisfying tournament. On behalf of the NALGNZ we thank you wholeheartedly. Please pass our gratitude to the Hauraki Management for allowing us to use the course and the preparations necessary especially from your pro shop, Course Superintendent kitchen and bar. With having to cope with the Covid associated cancellation last year It must have been no easy task to start organising for a second time. We salute you.

Congratulations to Audrey Messenger and then Ken Tynan who both holed out on different par threes. It is suspected that this was a first at any of our Nationals. Well done both of you.

John Barber Trophy

This year the NALGNZ organised a trophy as a tribute to John Barber. John had great knowledge-based skills like his experience and past accountancy training. His Transferable skills; the way he communicated, problem solving and planning skills. There were his personal traits; formal, friendly, dependable and a team player. His favourite saying, “lovely to see you”. John’s partner, Andrea Gardner, spoke at the prize giving and presented the trophy to Barry Flocks, winner of the best one day nett.

“It is so special to be here at Hauraki prize giving, quite overwhelming. This trophy is a wonderful tribute to John. Thank you, Rodger, Wayne, delegates and others, involved in organising this competition for the National Tournament in memory of John.

Lefties was a great passion of John’s. He really enjoyed being the Secretary of NALGNZ and was very dedicated to it.

I am sure John is looking down from the great golf course in the sky and smiling-happy to know you are having a great time here at Hauraki in the spirit of Lefties.

Lefties is a very special group- friendship, comradeship, family within the golfing fraternity...and even including those of us who are righties! I am deeply appreciative of all the support I have received and I know John would also be grateful. Thank you.

To win this trophy you only have to have one good round and that is what keeps bringing us back to golf! “

Report on Auckland Lefty's Whitford Park Golf Club 2 May 2021

21 left-handed golfers and five right-handers played in this tournament on a windless, sunny Auckland day - one out of the box. The course was presented in outstanding condition and the greens were fast and true. This proved challenging to some players as the scores reflected. I would like to thank the following sponsors for their generosity: RJ's Pro Shop for two dozen PRO V1 golf balls; Wayne Chesham (Attic Homes); Dhana Gounder; Nuddy Pillay and Robin Kent for cash to make the price pool worthwhile for the winners.

Best Gross was won by Steve Leatherland with an accomplished 73. Dave Enright was runner up.

Best Nett was won by Greg Limond with a nett 69. Nuddy Pillay was runner up.

Best Stableford was won by Gordon Lewis with 34 points.

Murray Horsnell was runner up.

Other stable ford winners were:

3rd David Williams 32 points

4th George Rogan 32 points

5th Bill Burt 29 points

6th Stuart Marshall 29 points

Everyone who attended received a prize. A good day was had by all.

2021 - The 2021 World Championships scheduled to be held in Paris, France, has been postponed due to the Corona Virus Pandemic.

Below is a copy of the notice from the Tournament Organisers regarding the postponement.

Dear Lefthanded Golfers,

As you know, we had to postpone the 2020 edition of our World Championship for August 2021.

We took the decision to postpone again for another year.

The actual situation in France and in the rest of the world, the limited possibility to travel and mainly the very low possibility of a real amelioration before next summer have made us take such a decision. We already are in contact in order to provide the same quality of courses and especially for the Albatross, Golf National. If you wish to get a refund, just let us know and send us your complete bank details, we will make a transfer on your account (with a 20€ treatment fee). For the other ones, we will automatically register your participation for August 2022.

Registration for new participants will be online at the end of 2021 (depends on the Covid situation). We will keep you informed as soon as we can.

We also want to let you know that the National French Championship will be next 14th and 15th of May 2022 on the Granville golf course - "Baie du Mont Saint Michel". You will be able to register online in the next days on our website: www.afgg.fr
I remain at your disposal for any further request.

Sincerely

Dominique LACAN

**Bruce Poole**

The New Zealand Lefthanders Association was founded in 1978 by Bruce Poole. Bruce actually started Lefty's golf in Winton, Southland, in 1963 which was the start of many more regional tournaments all round NZ. He instigated and assisted with a very successful Worlds Tournament held at Taupo 1983. The first National Tournament was staged at Manawatu in 1986 and the Nationals have been a highlight of the year ever since. Bruce organized one at his home club, Upper Hutt, in 1989. Bruce has been a keen follower of all the activities and antics of his fellow lefty mates. His funeral was held in Wanganui 25th May. It was his wish that his cask be draped in the NALGNZ flag and so it was. From all of us, our most heartfelt sorrow and condolences to the family.

Nigel Osborne. At Mt Herbert House, Waipukurau on June 29th 2020 aged 84 Years. A plumber by trade. Nigel was a down to earth sort of guy when things went wrong, he just got on with it. Joined the NALGNZ back in 1989. His priority was to use the Australian Champs and the Worlds as an opportunity to play, meet and have a damn good holiday. Nigel won his division at the 1994 Aussie Champs in Adelaide. By 2002, Nigel had played in 14 world events. Nigel's legacy to the NALGNZ is a bequeath of \$40000. What more can we say, thank you Nigel, such a wonderful gift. To Nigel's family we give our condolences.

**Barry Hughes**

Passed away on the 7th of April a remembrance service was held for Barry on the Wednesday 21st. To Joyanne and family our condolences.

Saki Saunokono. Christchurch. Member at Weedons. Passed away recently great friend to many, always had a smile and so enjoyed golf and the lefties. So sorry to know Saki is gone.

NALG National Tournament March 21-24th March 2022

Waitikiri Golf Club is thrilled to be hosting the National Left Handers Tournament in March 2022.

Waitikiri Golf Club is one of the premier courses in the South Island of New Zealand. It is situated in the east of Christchurch, 10 KM from the city centre and easily accessible from the airport and main roads.

Waitikiri is a parkland course of great character and challenge offering the most enjoyable walk in golf to players of all abilities. The layout of our high-quality course is based on an England golf course design, with a wooded parkland setting including a colourful collection of established trees. A characteristic of our course are lush green fairways, lined by a combination of native and exotic trees and shrubs. Our greens combine subtle undulations with strategically placed bunkers. There are several doglegs provided a visual treat and golfing challenges. Before the round you can buy from our well stocked Pro-Shop, while both before and after your round you can enjoy out stunning Clubhouse with its quality range of food and refreshments.

A full description of each hole can be found on our website www.waitikirigolf.co.nz.

Any inquiries or questions on our course can be directed to Rod Templeton, General Manager (03-383-1270/ manager@waitikirigolf.co.nz) or for information on the tournament contact Ross Herrett (027 228 4573/ rossandcarolherrett@gmail.com)
